

## SASCS SUMMER HOLIDAY CARE 2017

Holiday Care will operate from Monday 3<sup>rd</sup> to Friday 28<sup>th</sup> July 2017, 8.30am-5.30pm, based in the dining hall of Sciennes Primary School and aimed at children aged 4.5 to 8 years.

SASCS has a large staff team, with many long term members of staff, and operates with a high number of staff to children on a daily basis. We offer places to pre-school children throughout the summer holidays and always ensure that our staffing levels allow us to provide the extra support that individual children may require.

Our Holiday Care service has been developed using evaluations of previous years and the playroom is set up similar to that of a nursery, geared for pre-school children, whilst small areas and activities provide enough stimulus for children in Primary 1 to Primary 3.

In the playroom children will find places for: Messy Play; Puppet Theatre; Small World Play; Music and Dance; Art; Drawing; Water Play; Craft; Woodwork; Role Play; Science; Construction; Sand Play; Jigsaws; Board Games and Reading. Staff will vary the activities on offer in each area on a daily / weekly basis and will be available in each area of the room throughout the day to extend and support children's play as required.

In addition to the free play options described above staff will deliver activities at specific times of each day. These activities will include: baking; crafts; sports; science workshops and outside games.

Holiday Care children will take part in a full day trip each Wednesday of the holidays. On these days we will travel by private coach to a variety of tourist attractions including: Summerlee Industrial Museum; Scottish Deer Centre; Scone Palace and Wellsfield Farm Park.

Every Friday is 'Country Park Friday' for the Holiday Care children; we will be heading off to Vogrie Country Park each week for: den building; building houses for insects/fairies; big nature art-role play pirate ship and a nature hunt, in addition to playing at the adventure playground.

On all outings children will be split into small groups and allocated a member of staff as their group leader. This member of staff will be responsible for looking after their group throughout the day.
